

On Business Ethics

Listen From Pradnya Nimje

Thinking Brains

- Say 'YES TO ETHICS'. Defining our goals with futuristic risks.
- Root cause analysis as per preset parameters specific to situation.

Puzzles

- Game time. Find your own ways.
- Ethics , Rules , Laws , Risks.
- All is well that ends well. Are we reaching the targets.

New India or New you

- Change required where? Who is going to do it? How to begin?
- Are we really growing? Why cant we face the truth?
- Who is eating whom?

Attitude

- Transparent challenging discussions among only us excluding media.
- Checking on constant generic self monitoring technique to inquisitive problem solving approach.

Empowering

- Thinking out of the box. High time to start amending laws.
- Are we missing something?
- Revising History Lessons.

Conclusion

- We ourselves are answers to our own questions.
- Questions from Judges & Viewers are welcomed.
